Education Expo 2017

Indus University participated in Education Expo 2017 held at Gujarat University Convention & Exhibition Centre on 20th – 21st May, 2017. The Education Expo was inaugurated by Honorable Cabinet Minister Shri Bhupenderasinh Chudasama from Education department. More than 50 different organizations participated and promoted their education

mission at the fair. The event was organized to guide prospective students in varied fields of undergraduate and post-graduate programs. At Indus University stall, footfall of 180 students with their parents inquired about various Engineering, Humanities, and Business Administration programs. Each institution was given a memento at the end of the two-day event by media

coverage partner TV9.

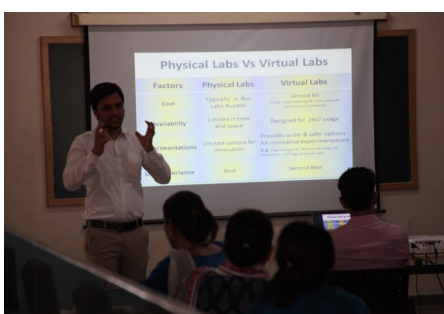

Faculty coordinators who successfully managed this promotion included Prof. Bhavik Soneji, Prof. Ashish Maheta, Prof. Samir Gopalan, Prof. Kirtan Rathod from Mechanical Engineering, Computer Engineering, MBA, & Information Technology departments respectively. ■

Workshop on Virtual Lab

Virtual Lab is an initiative by the Ministry of Human Resource Development (MHRD) under the national mission of education through ICT. Since IITE at Indus University has been included in the list of nodal centers of Virtual Labs, a workshop on Virtual lab to create awareness on its usability was organized on 27th May 2017 in which 25 faculty members had participated. The main objective is to provide remote-access to labs in various disciplines of Science and Engineering which will cater to undergraduate and post graduate students. ■

Eco-Green Vehicle Challenge

Automobile Engineering students from 4th Semester represented Indus University at National Level Cycle-Making Championship titled Eco-Green Vehicle Challenge supported by Climate Change Department of Gujarat and Gujarat Energy Development Agency at LDCE on 6th – 7th April 2017. Faculty coordinator for this championship was Prof. Priyanka Shyam Sharma. ■

Faculty Achievement

Prof. S.P.Yadav is awarded the degree of Doctor of Philosophy (PhD) in Electronics & Communication Engineering from Gujarat Technological University under the able guidance of Dr. Subhash Chandra Bera on 3rd June 2017. The title of his doctoral thesis is 'Investigations on Non-linearity Effects in Communication Systems and their Compensation Techniques'. ■
